From Fr. John

This Friday is Veterans Day. Every year there is confusion about Veterans Day and Memorial Day. On Memorial Day, we remember those who gave their lives in service of our country. Not those who served and then died of some other cause, after discharge. Only those who gave their lives while on active duty, particularly those who were lost on a battlefield, or as a result of a battle. On Veterans Day we remember all who served in the United States military services, those who have gone on and those who are still here. As we approach our annual recognition of former service members, let us keep them in our hearts and in our prayers.

The world is in desperate need of tranquility. Our prayers should be for God's peace to break out and cover the earth. But until that day occurs, we will continue to need the people who give their time, effort, and occasionally their very lives, to defend and keep us safe. Let us pray for all former members of the US Army, US Navy, US Marine Corps, US Air Force, and US Coast Guard.

Dear Lord,

On this day, we honor our veterans, worthy women and men who gave their best when they were called upon to serve and protect their country.

We pray that you will bless them for their unselfish service on behalf of us all, in the continual struggle to preserve our freedoms, our safety, and our country's heritage.

Bless them abundantly in response to the hardships they faced, for the sacrifices they made, and for their many different contributions to America's victories over tyranny and oppression.

We respect them, we thank them, and we honor them. We pray that you will watch over these people and bless them with peace and happiness.

These things we pray in the name of the Prince of Peace, who with the Father and the Holy Spirit live and reign, now and forever. Amen.

God's grace be with you all.
